About Nursing Scholar Society

History

The Nursing Scholar Society of India was established after the seed giver/founder Dr. Khanna spoke with the president PhD scholar Principal Binu Joe. He with his unwavering determination and enthusiasm took them to make this vision a reality and with the result he managed in such a short time to get the desired executive committee members in founders circle and regular members to meet the requirements of the registration in Rajkot HQ in Gujarat. The society is being pretty soon.

OBJECTIVES OF NSS

1. The overall aim of the society is to encourage and recognize the scholarly skills of Professional Nurses in writing and speech or in the community services.
2. The nurses must be license holders starting from ANM to PhD. Nursing and from a variety of Indian Nursing Council Recognized programs.
3. Professional Nurses from all the spheres of nursing profession such as education, clinical practice, administration, research, midwives and from the community services.
4. The nurses from across the globe who are willing to recognize and to promote the professional nursing standards across the globe are welcome to be the part of the society.
5. To get affiliated with national and other international nursing societies.
6. To promote research and other scholarly activities To promote care to the caregivers.
7. To promote any professional activities such as conferences, seminars, health camp and blood donation camp.

About Forsythia (Karnataka) Chapter

Karnataka also known as Karunādu, formerly Mysore State, is a state in the southwestern region of India. It is the sixth-largest Indian state by area. Karnataka is the eighth-largest state by population, comprising 31 districts. It is generally accepted one is that Karnataka is derived from the Kannada words karu and nādu, meaning "elevated land". Karu Nadu may also be read as karu, meaning "black" and nadu, meaning "region" as a reference to the black cotton soil found in the Bayalu Seeme region of the state.

Kannada is an official language of the state, other minority languages spoken include, Kokani, Marathi, Tulu, Telugu, Malayalam, Kodava and Beary. Karnataka also contains some other only villages in India where Sanskrit is primarily spoken. The historical and quintessential state of Karnataka occupies a focal place in the tourism map of India. Locked between Kannad Coast, Western Ghats, and Plateau, the state boasts of forests, hills, temples, caves beaches, riversides, lakes, coffee estates, waterfalls, ruins, rich biodiversity, ancient cities, rugged mountains and so much more interesting spots. The state capital Bangalore. Bangalore is known as the IT capital of India and the Silicon Valley of India.
