PSG College of Nursing has been nurturing excellence in nursing education for the past 32 years, offering Baccalaureate, Postgraduate, and PhD Nursing programmes under The Tamil Nadu Dr. M.G.R. Medical University. The institution remains committed to developing competent, compassionate, and ethical nursing professionals who contribute meaningfully to healthcare advancement.

Nursing Scholar Society (NSS-India) is a professional academic organization dedicated to promoting excellence in nursing education, research, clinical practice, leadership, and innovation. The Society provides a platform for nursing students, educators, researchers, clinicians, and administrators to collaborate, share knowledge, and contribute to the advancement of the nursing profession. The mission of Nursing Scholar Society is to encourage and recognize the scholarly skills of the nurses in writing, speech, leadership or in community services. Promote professional nursing activities and help Nurses to lead a quality life. “

About the Conference

National Conference on "A Century of Caring, A Future of Excellence: Transforming Nursing Education for Tomorrow"
21st August 2026.

This National Conference marks a century-defining moment for nursing education — honoring a legacy of care while charting a bold path forward. Bringing together nurse educators, clinicians, researchers, and healthcare leaders from across the country, the conference explores how artificial intelligence, simulation-based learning, inclusive pedagogy, and interprofessional collaboration are reshaping the future of nursing practice and training.

Through keynote sessions, expert panels, and thought-provoking discussions led by distinguished resource persons, delegates will examine the evolving landscape of nursing education — from classroom to clinic, from local practice to global health

Objectives

- To reflect on a century of nursing excellence and envision the future of the profession
- To explore the role of artificial intelligence and digital innovation in modern nursing pedagogy
- To strengthen the bridge between classroom learning and clinical practice through simulation, research, and competency-based education
- To promote global perspectives on sustainable, community-centered healthcare
- To cultivate leadership, scholarship, and innovation among emerging nursing professionals

WHO CAN ATTEND?

- Nursing Faculty
- Nurse Educators
- Registered Nurses
- Students
- Any health care professionals
